Friends of Tranby Gate: Woodland and Wildlife Haven

A perfect place for community events...

Santa was delighted to have been visited by over 130 lovely children during his visit to Tranby Gate! His elves also wanted to thank everyone

2020 was a challenging year for everyone. But we are moving ever closer to protecting this Hesse gem, for the use and enjoyment of our community. We have developed a close partnership with Hesse Town Council, who are working hard to negotiate a transfer of the site from East Riding Yorkshire Council. Our activities are being independently recorded in an ever-increasing file with the ERYC planning office, in the hope of removing the site from ERYC's 'Local Review' of sites to be developed. We have an ever growing following of residents and an increasing number of committed friends. If you would like to join us, please use the links below – **many thanks for your support.**

Funds were raised for MacMillan via an online and printed... **'Cake and Cookie Collection'** Recipes donated by local Hesse residents and illustrated by images from Tranby Gate...

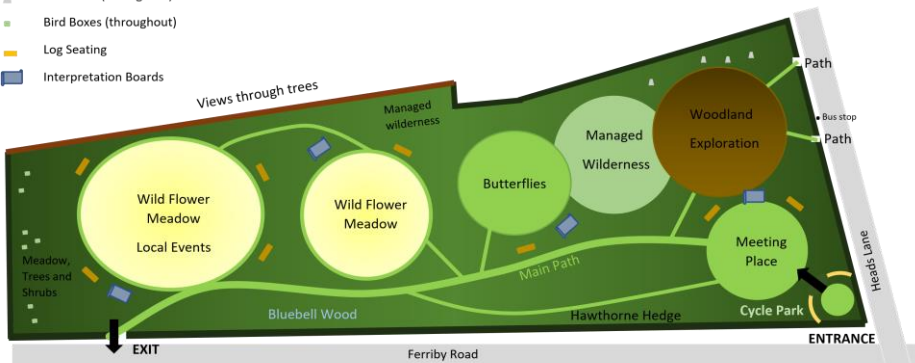

An important natural asset and complete ecosystem that is home to hundreds of different species...

"This audit is in no way extensive and only a proper survey would allow a more accurate picture of biodiversity present. However hopefully this gives you just a small idea, of how valuable the site is."

Barry Warrington. National Agromyzidae Record Scheme Organiser 2020

- Key:
- Paths
 - ▲ Bat Boxes (throughout)
 - Bird Boxes (throughout)
 - Log Seating
 - Interpretation Boards

Through the gate...

- A unique biodiverse ecosystem
- An educational experience
- An historic & nostalgic playground
- A place for events and celebration
- A place of peace and wellbeing
- A managed wilderness
