Parish/Town News Release

Humber-talking has set our priorities, this month we are to:

- 1. Burglaries in the Hessle area. March saw an increase in burglaries including reports of three shed and one garage burglary and most recent attempts made to open car and front door of a dwelling. High visibility patrols will be carried out in Hessle and cross border areas to identify offenders and prevent further offences. Humber talking will be carried out by NPT when offences are reported and this in turn helps promote security improvements, intel gather and ask for residents to remain vigilant and report any suspicious activity.*
- 2. Anti-Social Behaviour Hessle Square and surrounding area. Since the beginning of the year, we have seen an increase in reports of anti-social behaviour in Hessle Square and surrounding area. Throughout the coming weeks patrols will continue to show high visibility presence within the problem areas. Anti-social behaviour talks will be rolled out at Hessle High School to highlight the issues, offences, and implications of this kind of behaviour.*
- 3. If you feel that you have been scammed and would like to speak to someone face to face, please come into your local police station for a confidential chat. It is highly likely that it will be a known scam and you will not be alone. If your local police station is closed or you are unable to get there promptly, please do not delay. Call Action Fraud or Humberside police on the numbers below for advice.*

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area.
