Drugs (one report made)

8/7/24 Hull Mitsubishi Centre Ltd, cannabis seized from bag belonging to female suspect when conducting section 23 search of vehicle. Enquiries ongoing.

Parish/Town News Release

Other (over several other investigations across all Wards) These include public order, stalking, harassment, assault, and malicious communications to name just a few, along with domestic related incidents and blackmail, some of which are still ongoing.

Humber-talking has set our priorities, this month we are to:

1. Reduce Burglaries – Hanoi and sheds.

Whilst Hanoi burglaries (whereby suspect enters a property and steal car keys and car) appear less prevalent within the Hessle Ward area. There has been an increasing amount of 'suspicious circumstances' logs and attempt burglaries to sheds/dwellings. This has been particularly around the Hull Road area of Hessle. Throughout the coming months there will be hotspot patrolling around the above aforementioned problem areas.

2. Anti-Social Behaviour – All Wards

Anti-Social-Behaviour continues to be high up on our list of priorities and we have been working in conjunction with Hull West Neighbourhoods to disrupt the Boothferry Estate, along with intelligence gathering and identifying those responsible, arresting them and dispersing them from the Hessle area by implementing conditions. Brough also continues to be on our radar with regards to anti-social driving. There will be static and hi viz patrols in marked vehicles throughout the summer holidays.

Parish/Town News Release

3. Welton Waters

Due to the recent spike in weather, there have been several logs relating to large gatherings of youths on the bank next to the water which is a public access. A few youths have taken it upon themselves to take boats from the sailing club. This has caused damage to some. Patrols will continue to show high visibility presence in the area during the holidays and deal appropriately with all those responsible.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

CRIME REDUCTION

Keeping your shed or garage safe and secure!

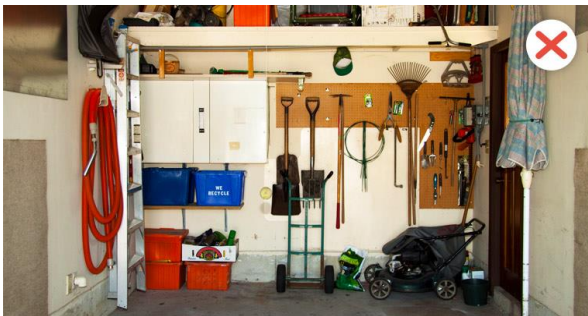

Many people don't secure their shed or garage in the same way they do their homes - often using an easy-to-break lock or padlock to protect valuable contents such as a car, bike or lawnmower. An opportunistic burglar will try a shed or garage first because they can find the tools they need to break into the main house.

Shed and outbuilding security: first steps

Parish/Town News Release

Think like a thief!

Look at your shed and consider how you would break in. It's worth having a good padlock on the door with no exposed screws. Pay attention to hinges, as these are sometimes easily removable. If you have windows, then these could be vulnerable unless they're secured with wire mesh or grills. And keep it always locked.

Alarm it.

Consider a battery-operated shed alarm. They look low key, but they respond to movement or door contact with an extremely loud siren.

Lock it, hide it or mark it.

Don't give them the opportunity or the tools to commit a crime. Lock everything away securely. Tools can be locked inside a locker or box or secured with a chain.

Secure your bike to the ground or a lockable stand within a locked shed or garage. Visit [Sold Secure](#) to search for ground anchors and other locks designed to fix to floors and walls.

Parish/Town News Release

It's always worth draping an old sheet or blanket over the top of mowers or bikes to keep them covered from view.

Although it might sound like stating the obvious, never leave your garage or shed door unlocked if you're not around. Keep the door closed between uses so that no one can see what's inside.

Property mark your items and take photographs of them. Some tools can be painted with your name or postcode and forensic marking is also an option. You can also register any item that has a serial number with [Immobilise](#).

A locksmith belonging to the [Master Locksmiths Association](#) can advise you on the most secure shed and garage door security. They can also help you install it. Most also provide full home security surveys.

Report Anti-Social Behaviour

Antisocial behaviour takes many forms, from aggressive, noisy or abusive behaviour to neighbourhood disturbances involving drugs, abandoned cars or animals.

If you've witnessed antisocial behaviour, please report it to us.
